🇬🇷 Military Service Obligations: Fulfilled

WORK EXPERIENCE

Associate SW Engineer (Web Development)

Intrasoft Intl

📅 Apr 2019 - Present

📍 Patras, Greece

Working closely with Intralot integrating and developing Intralot's Canvas software for various national betting providers around the world.

- Developing interfaces using React.js (Hooks, Redux) and Styled Components/SASS
- Involved with API development using PHP 7+ and following the MVC design pattern
- Implementing changes needed for caching and WebSocket mechanisms, using Golang and Redis

Software Engineer/ Analyst /Infantry Soldier

Centre of Information Technology Support of the Hellenic Army (KEPYES)

📅 Jan 2020 - Oct 2020

📍 Athens, Greece

Worked on a multi-tenant internal project used by Greek Military hospitals.

- Developed admin and client-side features using React.js (Redux, Ant Design/Semantic UI, SASS)
- Implemented new services using PHP 7+ (Symfony 2) and PL/SQL
- Utilized established Scrum methodologies

EDUCATION

Integrated Masters Degree

CEID – Computer Engineering and Informatics Department – University of Patras

📅 Sep 2012 - Apr 2019

📍 Patras, Greece

Thesis: "Detecting cyber-bullying on social networks using natural language processing and machine learning"

- Grade: 7.04
- Using Supervised Machine Learning algorithms (Naive Bayes, SVM, Random Forest) I tried to detect and categorize bullying references and role of author in user tweets (Python, TensorFlow, Pandas)

Certificate of Proficiency in English

University of Michigan

📅 2009

📍 Agrinion, Greece

- Level: C2
- Overall Grade of Degree PASS

ABOUT ME

I'm a web developer focusing on front-end technologies. I aspire to create clean and user-friendly experiences and I am passionate about building quality software that improves the lives of those around me. I am a motivated, self - driven and detail oriented. I strive to cultivate and hone my skills set to become even more adaptive to new challenges, a strong team player and a critical thinker.

SKILLS

• Languages/Frameworks

React Golang PHP SCSS
